## **2008**

### **Annual Network Meeting**

The annual meeting of 2008 of the European Network on Regional Labour Market Monitoring was hosted by FAS Baggot Dublin / Ireland on the 3rd of October 2008.

**Workshop** "IMPROVING THE INFORMATION BASIS FOR THE INTEGRATION OF MIGRANTS IN REGIONAL LABOUR MARKETS"

The workshop was organized as the Kick-Off for the transfer of the Concept into Practice. The focus was on the application of the concept and it was shown how the application was planned in the German state of Hesse. The Conference took place on Monday, 2nd of June 2008, Frankfurt/Main.

**Workshop** on "LABOUR MARKET - MIGRANTS - REGION. PRESENTATION OF A CONCEPT FOR TARGET GROUP MONITORING"

In the centre of this workshop was conceptual discussions which combine different perspectives from labour market, migration and policy research. The Conference took place on Tuesday, 24th of June 2008 in Brussels.

## **2007**

### **European Conference "PICTURES OF WORK FLEXIBILITY" (Day 1)**

The objective was to encourage a debate on work flexibility and life insecurity, endorsing a multidisciplinary approach to the topic. The conference took place on the 27th and 28th of September 2007 at the Sapienza University of Rome, Italy.

### **Annual Network Meeting (Day 2)**

The conference focused on methods used to analyse, study and survey in a European perspective the flexibility of cross-border regional labour markets.

### **International Conference on "Target Group Monitoring"**

The conference was intended as a platform for experts from different European regions, who work in the field of Regional Labour Market Monitoring in research, planning and practice, as

well as for those who have a special interest in furthering existing concepts in this field. With this conference we wanted to initiate an exchange and a learning process that will be supported by the European Union within the Mutual Learning Program. The conference took place on 23rd of April 2007 in Frankfurt / Main, Germany
